What is the potential in RSPV?

67M with Persistent AF
LSPV Cryoballoon Ablation: Immediately After Delivery
LSPV Cryoballoon Ablation: Thereafter
RSPV Cryoballoon Ablation during SVC Pacing

Discontinuation of SVC Pacing

No Potential in RSPV

SVC
Q: What is this residual potential (blue arrow) at RSPV ring catheter during SVC pacing?

a. SVC Potential
b. LA Potential
c. RSPV Potential
d. Pacing artifact
e. I don’t know
SVC Pacing at High Output

No Potential in RSPV
SVC Pacing at Lower Output
Pacing from RSPV Ring Catheter
A: What is this residual potential (blue arrow) at RSPV ring catheter during SVC pacing?

a. SVC Potential
b. LA Potential
c. RSPV Potential
d. Pacing artifact
e. I don’t know
Capture of Isolated RSPV by SVC Pacing
